

DECEMBER 31, 2021 PROPHECY THROUGH PASTOR DAVE JESUS OUR JUBILEE

The Spirit of Grace came unto me and told me: choices, choices, choices which lead to decisions which lead to your destiny. Is it not recorded in the Word that the Spirit of God has come to show you things to come? But yet, last year, just last year, says the Spirit of Grace, were you not told that this was going to be a year of growing up in Him? And things were going to come upon this earth and upon you and different factions of your existence that you haven't seen before. But it was a time to grow up and mature in the things of God. Oh the Spirit was moving upon the whole earth, but many of the children of God bowed their knee to Baal, instead of standing up and saying 'thus saith the Lord,' they bowed their knee to the media. They bowed their knee to the non-believing churches and in doing so fear gripped the world like never before. Because the enemy's plan and purpose was to stop the Word of God in any way possible. And my people didn't heed the call.

The Lord your God is a loving God. He is a merciful God. But He is God. And He has called you to spread the Kingdom throughout the whole earth. But there are some within the sound of my voice this evening that won't even spread the Kingdom of God in their families, in their houses, in the places that they work, because they are so fearful of what somebody is going to think about them. The Spirit of Grace says 'search your heart.' It's not what they think about you, it's what they think about My Son Jesus. And when you get you off of your mind, then and only then will you truly be able to spread the Kingdom like it's supposed to be spread.

And you may say 'well what is the Kingdom?' Doesn't my Word say in Matthew 24 that the Kingdom will be preached throughout the whole earth and then the end shall come? The Kingdom of God is God's will be done in earth as it is in heaven. The blind see, the lame walk, the deaf hear.

No problem at all can overcome you because you have dominion, because you have been made a king and a priest unto God to spread the Kingdom throughout the earth. Not to spread the rumors, not to spread the noise, not to spread the media, but to spread the Kingdom of God by saying 'thus saith the Lord.' And

God will watch over that Word to make it happen as you trust in Him. Doesn't the Word plainly say that if you walk in the Spirit you'll not fulfill the lusts of the flesh? But how many within the sound of my voice have been walking so much in the flesh that they're waiting for somebody to come along and jab them or poke them to try and get them to walk in the Spirit?

You say you've never seen such troubles. I say unto you this night, that there are things coming upon this earth that the enemy is rejuvenating in this earth. Things that were probably taken care of years ago in the minds of science are going to start rising up again. There's going to be new strains of illnesses. There's going to be new strains of diseases. But to the child of God that's walking in the Word and born of the Word, what does it make any difference if a new strain or new disease or a new problem or new circumstance or new situation shows up **because greater is He that's in you than he that is in the world**. It doesn't make any difference what shows up because Jesus Christ paid the price for every disease not even named. It's all been paid for in full. But it only works for those who believe that Jesus said *'all things are possible to he that believes.'*

There are many today in the church, so-called Christians that believe that just because they go to church that they're all right. But yet they bow their knee to Baal every time they turn around. When the word of God comes forth they deny it. When the Spirit of God begins to move they laugh at it and don't recognize the presence of Almighty God.

God has always had a remnant. And there are groups here and groups there, and groups over here, that dare to stand up and declare Jesus Christ is Lord and thus saith the Lord. And as they do that, isn't it recorded that I'll watch over the Word to perform it? Isn't it recorded that if I said it, I'll do it? Isn't it already recorded if you'll trust me you'll never fail? Isn't it already recorded that you can do all things through Me who gives you strength? You have been anointed. You've got the same Holy Ghost that raised Jesus from the dead. What have you to fear? What can man do unto you? The Lord is on your side. But who is going to declare, who is going to decree: 'Yes! I'm a child of the King and I refuse to back down!' Joshua of old said 'choose you this day whom you shall serve.'

In the year 2021, too many of my people, says the Spirit of Grace, served other people instead of God. And because of that, victories were few and far between. Because of that, confusion ran rampant. Because of that, sin raised its ugly head. Because of that, destruction and death reigned instead of life everlasting.

It is not the Lord your God who is bringing this upon you. It is you who have chosen to bring it upon you. From the beginning of time in the garden, I have given mankind dominion and told him to make the choice. And the Lord your God will honor that choice whether it be yes or no. God will honor you no matter what. But the Spirit of Grace would say this evening; the God will honor your righteous stand in Him. God will honor you standing up for the truth period! God will honor you when you dare to stand up and say 'thus saith the Lord' in a crowd that will not make you comfortable and will not like you. But you can tell them: 'I have a job to do. I've got to tell you about the Kingdom of God that's at hand. Turn to the Lord Jesus Christ and you shall be saved.'

It is time because many, many, many of my people didn't grow up like they were told to do. This is the year. This is the year when those people that are growing up in Him and maturing in Him are going to see signs and wonders and exploits like never before. They're going to find there's a new boldness that comes upon them. They're going to find that they're going to be surprised at some of the words that come out of their mouth. Because isn't it written when you don't know what to say the Holy Ghost in you will give you the words to say?

Doesn't the Word say 'those that are led of the Spirit of God shall be called Sons of God?' And to be called a Son of God, you must be led of the Spirit of God. And He will take you to places and put you in situations that are not comfortable in the flesh. But don't worry about that, it's not about the flesh; it's about walking in the Spirit. Because as you walk in the Spirit the flesh is going to have to back off and bow its knee to the Spirit of the Living God. No weapon can be formed against you that can prosper as long as you stand upon the Word of Almighty God and declare who you are in Him. There is nothing that can come against you to stop you except yourself. The enemy is under your feet. The demons are under

your feet. There is nothing that can stop you if you don't back off. Too many people let the flesh run their lives.

The enemy throughout the world, especially in the United States, accomplished a lot of his goals. Multiplied hundreds of Churches are no longer in existence. And he's not done trying to stop the Word. He will not quit until the trumpet sounds and judgment, final judgment is called upon him. He still believes that he is god!

I would say unto you this day that there is only One God, the One living true God who sits upon the curve of the universe, the One true God, Jehovah God! And in Him and Him alone is salvation for the world. But He can't do it without His Body. You are the Body of Christ. You are members in particular. As 2022 rolls around, think about how your choices are. And what your choices lead to certain decisions. Because it's not always going to be easy to put God first. It's not always going to be acceptable to put God first. But God will find you acceptable when you put Him first. But you will find it easy when you put Him first. And if you put Him first you and Him are a majority, period. No matter what, walk in the Spirit, walk in the Spirit. Spend more time in fellowship with the Lord instead of the time that a lot of you have been spending in fellowship with the world. Isn't it written 'what fellowship does light have with darkness?' But many of you, many of you have been having more fellowship with darkness than you've had with the Lord Jesus Christ Himself.

Oh, this Gospel of the Kingdom will not make you popular with the world, this Gospel of the Kingdom will not make you popular with some of your friends, this Gospel of the Kingdom will not make you popular with some of your relatives. But some of them will see and hear the testimony of the Lord that resides within you. And when they see the greater one that's in you, they're going to be hungry because they are lost, and don't have the answer. They turn every way but to the Body of Christ to find it. And it's because the Body of Christ has hidden itself in sanctuaries and hidden itself in fear of what somebody will think of them. Oh my beloved children, follow after your heavenly Father. Isn't it written that we are supposed to imitate Him?

You talk about you want to see a miracle. Well, what is a miracle to the Father? Miracles don't exist for the Father. Miracles are just a way of life. But we recognize them as miracles. The blind seeing isn't a miracle to the Father, it's just a way of life. The lame walking isn't a miracle to the Father, it's just a way of life, because the Kingdom of God is at hand and all things are possible to he that believes.

In the year 2022 you are going to have to get rid of those emotional thought processes and begin to learn to live in the spirit. Because the more you live in the spirit the more people are going to be able to see God. The more you live in the spirit the more people are going to be brought into the Kingdom. But, as long as you allow your petty differences, as long as you allow your petty emotions, as long as you allow your baby attitudes about things, you're never going to reach the pinnacle that God has called you to be on. He has called you to be seated far above all the powers of might and dominion everything that's named not only in this world but that in the world which is to come. And He's put all things under your feet. If He's put all things under your feet you are the only one that could move your feet to let all things come up.

Rejoice, rejoice, rejoice! The Kingdom of God is at hand! Rejoice and do not fear because God has not given you the spirit of fear. But He has given you power, love and a sound mind. The Lord is on your side. You can do exploits. You are called, anointed and appointed by God to preach the Kingdom of God, the gospel, the good news throughout the whole earth and then the end shall come. Preach the gospel, preach the gospel, preach the gospel, do not quit. Do not fear. Do not back down. But stand and put on the whole armor of God and nothing shall by any means hurt you.

Some of you may be asking 'well what about all those people that passed away this past year because of disease and things?' Choices, choices, choices which chooses your direction which chooses your destiny. The choices you make today are the directions you go tomorrow which goes to your eternal destiny in eternity. As Joshua of old said, 'choose you this day whom you shall serve.' But may you stand up as a child of God, as a king and a priest unto God and say with a loud

voice, 'as for me and my house we will serve the Lord, we will serve the Lord, we will serve the Lord.' The Kingdom of God is at hand, Jesus is anxious to return. My body will bring Him because of their faith, because isn't it written, isn't it written—when He returns will He not find faith? Yes He will. And the people of God are learning more and more how to walk by faith and not by sight, how to walk in the Spirit not the flesh. How to believe God and His Word rather than circumstances or situations. They're being changed from glory to glory to glory in to the image of God's dear Son. Oh My children, let your light shine, let your light shine, because where your light is darkness cannot exist. Where your light is darkness will flee. You'll see it as you go through the day-to-day life. You'll see it as you walk around, your light will be putting out darkness that's near you. And it'll be touching lives. And people will begin to ask you, 'what is it that you've got that's different?' And you can tell them, It's Jesus the Christ the Son of the living God. Let me introduce you into the Kingdom of God.
