## JUNE 2024

### THE LAW OF FAITH

The Kingdom of God nor the kingdom of Heaven is a place, but rather is a *system* of government. There is a PLACE called heaven and within that place is a Kingdom with rules and regulations on how it operates and functions. In the same way that there are physical laws that govern the Earth, the laws within the Kingdom of God are established and unchangeable. The laws of God are grounded in the Word of God and GOD DOES NOT CHANGE. The Word of God was spoken in the beginning and those words created the laws of the universe.

A nation has laws, but those laws, written by men, evolve and change. However, the Word tells us that God is not a man and that His Word never changes, it is FOREVER SETTLED. The laws of an earthly government are bound by a constitution and the laws of physics are bound by science, but God's laws are bound by His Word, and His Word is established for eternity. God is the creator of the universe and the ultimate lawgiver.

The Ten Commandments (not suggestions) governed how man's relationship should be with other men and with God, the laws of the Kingdom brought man to a greater level of understanding and spirituality within himself—realizing that as a born-again believer, the Kingdom of God is in us. One of these higher laws is THE LAW OF FAITH!

Romans 3:27 acknowledges the law of faith, and 2 Corinthians 4:13 describes how it functions. The spirit of faith, according to what is written is "*I believed and therefore I spoke.*" Then our instructions follow by saying that we likewise are to believe and speak.

Faith operated through this LAW! Upon hearing the Word, you must believe it in your heart and once you believe the Word in your heart, you speak the Word of God with

your mouth. Jesus said in Matthew 12:34, "Out of the abundance of the heart the mouth speaks." When you speak God's promise from a heart that has received and settled His Word in the knowing, the promise will move from desire and hope into "rhema" into a full manifestation.

It takes FAITH to please God. But likewise, it takes faith to empower the promise of God and it takes faith to empower God's promise in your life. We could say that God's promises are available to every believer, but faith is the CATALYST that activates the promise. The promises are available for all believers, but they only work in the lives of those who abide by the law of faith.

To act on the law of faith requires a strong foundation of the promise. This is developed through the repeated hearing and meditation on the promise. This is why we must CONTINUALLY receive the Word of promise. For instance if you need physical healing, then you must know what God's Word has to say about healing. Listen to healing scriptures, read healing scriptures out loud and listen to Word-based teachings on healing. Allow this Word to sink deep into your heart. Taking one vitamin is not enough. It must be a process of daily digesting and building your spiritual strength in His Word.

Living in the LAW OF FAITH is accomplished through the daily hearing of the Word of God. We believe with a full knowing in our heart, and out of the abundance of that knowing, we speak the promise. And when this law of faith is followed, then the full manifestation of the promise spoke is the result. (Romans 3:27, 2 Corinthians 4:13, Romans 10:17, James 1:22) FAITH IS COMING IN JESUS NAME!

*If you have a need in your life, whether it is physical, financial, or emotional, God's power is available in the form of His Word and Grace to meet that need. Get a hold of our prayer warriors, e-mail, snail-mail, text, or our web page and we will put our faith with yours...GOT A NEED PLANT A SEED!*

Kathy and I are so grateful for your faithfulness in giving of prayers and offerings to help us spread the Kingdom of God throughout the whole earth. SHALOM!

**KATHY AND I DECREE YOU BLESSED IN JESUS NAME!**

### Christian Nationalism? What is it? What did it used to be called?

There is a controversial new label the mainstream media is using, Christian Nationalism. To answer that, there are three points to consider: The first is, that **nationalism** is the opposite of **globalism**; second, that **nationalism** depends on the **nation**; and third, that **Christian nationalism** used to be called **Christian patriotism**, and past Presidents, Democrat and Republican, encouraged it.

Let's look at the first point: **nationalism** is the opposite of **globalism**. Did you know there are people called "globalists" who want to do away with nations and set up a one world government, which, of course, they will control.

Klaus Schwab of the World Economic Forum produced and Agenda 2030 video, which had the line: "You will won nothing and be happy."

This sounds a lot like Karl Marx's *Communist Manifesto*: "The theory of the communists may be summed up in the single sentence: Abolition of private property." "Abolition of private property" means "you will own nothing"!

How do globalists plan on getting you to give up your property and freedom? The Great Reset. Jack Posobiec of *Human Events Daily*, stated on OAN, November 24, 2022: "The Great Reset is very much like communism...They'll tell you it is about diversity...equality...climate...But...what they want is...total government."

People will not give up their property and freedom if everything is fine, but if there is a crisis, they will trade freedom for security.

The Great Reset is an orchestrated global crisis to produce dependency on international government.

Michal Rectemwald wrote in *Imprimis* "What is the Great Reset?: December 2021: "Klaus Schwab and Thierry Malleret write that if the past five centuries in Europe and America have taught us anything...it is that 'acute crises contribute to boosting the power of the state.'"

Peter Thiel, founder of PayPal, warned in a lecture at Stanford's Classical Liberalism Institute, November 18, 2022: "The zeitgeist [or mood] on the other side is 'we are not going to make it for another century on this planet and therefore we need to embrace a one world totalitarian state right now' ...Whatever the dangers are in the future we need to never underestimate the danger of one world totalitarian state..."

Thiel continued: "First Thessalonians 5:3, the political slogan of the antichrist is 'peace and safety' I want to suggest...we would do well to be a little more scared of the antichrist and a little less scared of Armageddon."

In other words, don't be afraid of the world ending, be afraid of the people who promise to save you from the world ending.

Henry Mencken wrote in *Notebooks*, 1956: "The urge to save humanity is almost always only a false-face for the urge to rule it."

(Continuing on second point: **Nationalism** depends on the **nation**, next time.)

**2 Chronicles 7:14 (KJV)**

***<sup>14</sup> If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.***
